Financial Policy - Wasatch Sleep Health Center, Inc.

In accordance with the Federal Truth-in Lending act, all doctors are required to give to their patient complete information in connection with the extension of credit:

- a. BASIC POLICY: The patient is responsible for medical bills in our office. Our staff will help with completion of insurance forms as an accommodation and convenience to you without charge. It is the patient's responsibility to know your contract benefits, assure collection of insurance payments to us and to negotiate with your insurance company over any disputed claims.
- b. IF YOU DO NOT HAVE INSURANCE: Our policy requires payment in full today. If you cannot pay in full now, we request partial payment today as you arrange for credit on your account with a payment plan agreement with our Credit and Collection Manager.
- c. IF YOU HAVE INSURANCE: Fill out the patient's information form. If you're covered by Medicaid, Medicare or other insurance, please present your identification card to the receptionist at the time of appointment.
- d. WORKMAN'S COMPENSATION: In the event it is determined by the Workers Compensation Board that the illness or injury is not the result of a compensable workers compensation case, I hereby agree to pay the usual and customary fees for services rendered.
- e. REJECTED CLAIMS: If your insurance company rejects your claim, or if they pay less than the total bill, our policy requires you to pay the balance in full upon receipt of your statement. If you cannot pay in full after insurance payment, contact our business office.
- f. FORMS OF PAYMENT: We can accept payments in cash, check or money order as well as Credit Cards. Please make your check payable to: Wasatch Sleep Health Center, Inc.
- g. RETURNED CHECKS: a \$20 handling charge is applied to all returned checks.
- h. DELINQUENT ACCOUNTS: Delinquent accounts over 90 days are turned over to our Collection Manager. If the bill remains unpaid and satisfactory arrangements for payment are not made, the Collection Manager will review the account with the doctor to decide appropriate legal action. We reserve the right to add late charges for delinquent accounts requiring collection action and add attorney fees and court costs.
- i. MONTHLY STATEMENTS: You will receive an itemized monthly statement until your bill is paid in full whether or not you have insurance. This is a courtesy to you to be aware of the status of payments on your account and have a record of services. Once your insurance has paid you are responsible for the unpaid balance.
- j. LATE CANCELLATION AND LATE ARRIVAL FEE: Should you need to cancel or change your office visit appointment or arrive late, you will be subject to a \$50 charge if you do not do so within 24 hours business day advanced notice. Late arrival is defined as greater than 20 minutes past the appointment time. Should you need to cancel or change an appointment for a procedure or study, you will be subject to \$100 charge if the change is not made within two business days advance notice. By signing below, I agree that I'm financially responsible for any charges incurred for missed appointments in which I did not give the required advance notice.

If this account is assigned to an attorney for collection and/or suit, the prevailing party shall be entitled to reasonable attorney's fees and costs of collection. To the extent necessary to determine liability for payment and to obtain reimbursement, I authorize disclosure of portions of the patient's record.

I hereby assign all medical benefits, to include major medical benefits to which I am entitled, including Medicare, private insurance and other health plans to: Wasatch Sleep Health Center, Inc.. This assignment will remain in effect until revoked by me in writing. A photocopy of this assignment is to be considered as valid as an original. I understand that I am financially responsible for all charges whether or not paid by said insurance.

Your signature authorizes Wasatch Sleep Health Center, Inc. to forward medical records to your insurance company, including disability insurance carriers and any physicians necessary to continue your medical care.

If you have any questions regarding this financial policy, please ask or call before you are seen by the doctor.
